

Extra Activity

There are many different types of seeds around us (eg, dandelion). We can also easily find them in our kitchen (eg, rice, black pepper, beans, sesame seeds, sunflower seeds, pine nuts). Look around you to find those seeds and stick them in the following diagram using sticky tape. Write down the names of each seed and words to describe them (for their size, shape, color etc.). You could use words like round, oval, long, rough, smooth, white, black, red, hard, soft, etc.

Seed	Name	Description
	Mustard	1-2mm in diameter, round, yellowish white or black, smooth

Extra Activity

There are many different vegetables mentioned in this unit, but there are even more vegetables that were not mentioned. Below is a crossword puzzle with names of more vegetables. Please find the answers and complete the puzzle.

Across

1. Vegetable used for making Jack-o-Lantern on Halloween
2. Long and green vegetable growing on vines
3. Vegetable, most commonly used on pizzas and pastas.
4. Yellow vegetable that grows high in the air on stalks
5. _ o _ a t o
6. Light green, long stalk with leaves. c _ l _ r y

Down

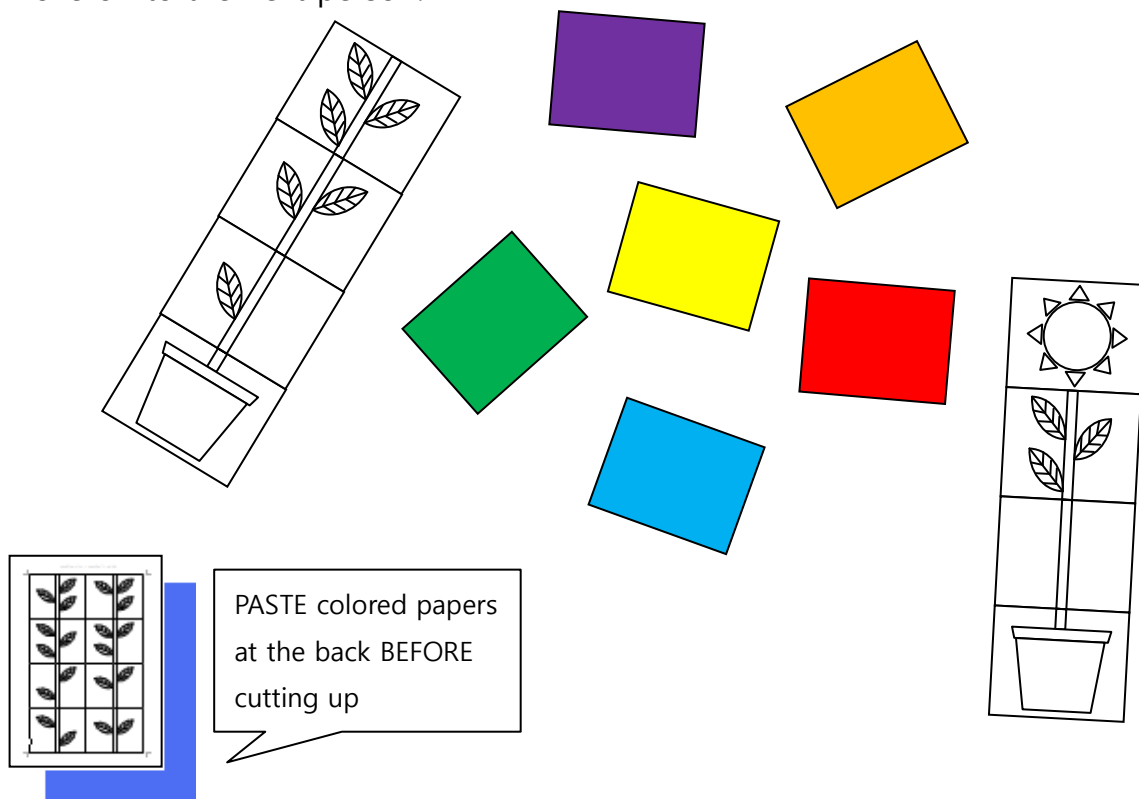

1. Also known as bell peppers.
2. Long hard orange vegetable which grows underground.
3. Very small and round vegetable in 'pockets', that grows on vines.
4. White and round vegetable, with many layers that make you in tears.
5. c a _ _ a g e
6. _ _ _ _ r o o m
7. _ a _ e

Answer:

Extra Activity

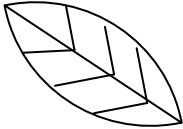

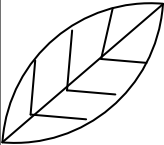

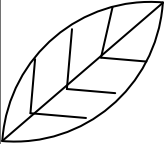

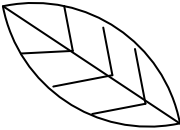

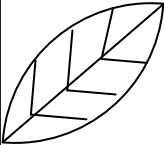

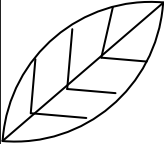

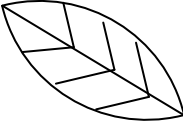

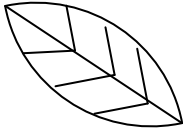

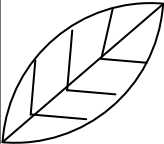

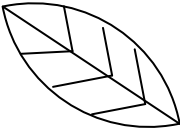

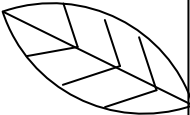

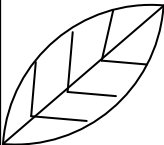

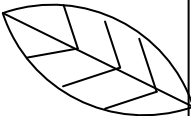

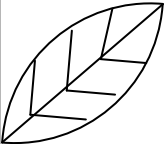

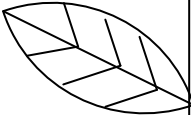

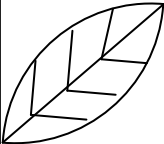

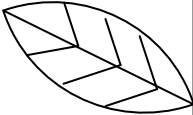

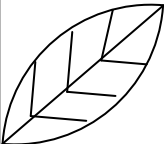

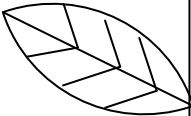

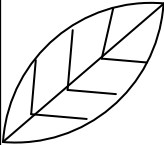

Flower Game

This game is about growing flowers. You and your opponents are given a card with a pot each. There are cards with flower stems, each with a different number of leaves. There are cards with flowers too. Flip over these cards and mix the cards well in the middle of the table. Make sure you cannot see the pictures. Take turns picking a card and add it to your pot card by putting the card above it. The more leaves the plant has, the higher the chance of winning the game. However, when your plant blooms, it cannot grow any longer and you lose the game. When you get a flower in your first round, put the card back in the middle and move on to the next person.

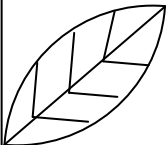

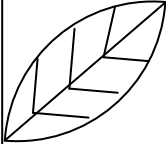

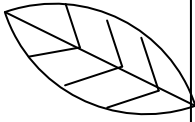

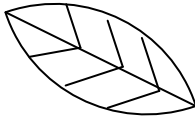

To make the game more interesting, you can also make 6 sets of cards, each set with a different colored back. This can be done by pasting card sheets onto 6 different colored papers before cutting up the cards. Cut along the lines to make the cards. Prepare a dice. Color each side of the dice with the same 6 colors used for the cards. At each turn, roll the dice and pick the card with the same color you get on the dice. (goal: recognizing colors and counting numbers) [1 set = 2 x (3 leaves + 2 leaves + 1 leaf + stem + flower + pot cards)]

There is an increase in the number of teenagers who are bullied and this has become a serious issue in different parts of the world. Here is a newspaper article on bullying victims. Read the article and answer the following questions.

Most children have been bullied

Hundreds of young people from schools across the UK were in London on Monday to mark the start of anti-bullying week.

Around 300 schoolkids were at a special conference to talk about why they want to tackle bullying. Some of the young people were bullying victims themselves.

Girls Aloud star Nicola Roberts was also at the event, organised by the Diana Award charity. She has been bullied herself and has found that many fans experience it too. She has asked for a meeting with the Government's Education Secretary, Michael Gove, to talk about how bullying can be stamped out in our schools.

The idea of anti-bullying week is to encourage young people to talk openly about bullying and how to beat it. Figures show that seven out of ten children are victims at some point during their school lives.

An increasing problem is cyber-bullying, with nearly four out of ten teenagers saying they have been bullied either online or on their mobile phones. Abusive emails and text messages are the most common forms of cyber-bullying.

<From <http://www.firstnews.co.uk/news/most-children-have-been-bullied-i6465>>

1. How many schoolkids were there at the conference?
2. How many children out of 10 are victims of school bullying at some point?
3. What is an increasing problem?
4. How many teenagers say they are bullied?
5. What are the most common form of cyber-bullying?

Answers:

1. How many schoolkids were there at the conference?

Around 300

2. How many children out of 10 are victims of school bullying at some point?

7 out of 10

3. What is an increasing problem?

Cyber-bullying

4. How many teenagers say they are bullied online or on their mobile phones?

4 out of 10

5. What are the most common form of cyber-bullying?

Abusive emails and text messages

Find the verbs and circle them in these sentences, and change them to the present continuous tense.

John walks around the block.

Mia reads a book.

Sue skates on an ice rink.

Jean sleeps in her bed.

Dad mows the lawn.

Mom cooks dinner.

Answers:

John walks around the block.

John is walking around the block.

Mia reads a book.

Mia is reading a book.

Sue skates on an ice link.

Sue is skating on an ice link.

Jean sleeps in her bed.

Jean is sleeping in her bed.

Dad mows the lawn.

Dad is mowing the lawn.

Mom cooks dinner.

Mom is cooking dinner.

Extra Activity

This is a recipe for making pancakes. Read the recipe and answer the questions below.

Ingredients

- 1 1/2 cups all-purpose flour
- 3 1/2 teaspoons baking powder
- 1 teaspoon salt
- 1 tablespoon white sugar
- 1 1/4 cups milk
- 1 egg
- 3 tablespoons butter, melted

Directions

1. In a large bowl, sift together the flour, baking powder, salt and sugar. Make a hole in the center and pour in the milk, egg and melted butter; mix until smooth.
2. Heat a lightly oiled griddle or frying pan over medium high heat. Pour or scoop the batter onto the griddle, using approximately 1/4 cup for each pancake. Brown on both sides and serve hot. Serves 8.

Questions

1. How many eggs do you need?
2. How many eggs would you need if you were to make pancakes for 24 people?
3. The main verbs for the recipe are heat, pour, make a hole, mix, sift, serve and brown. Put these verbs in order.

Answers:

1. How many eggs do you need?

1

2. How many eggs would you need if you were to make pancakes for 24 people?

3, because 1 egg serves 8 people, therefore $24 / 8 = 3$

3. The main verbs for the recipe are heat, pour, make a hole, mix, sift, serve and brown. Put these verbs in order.

Sift, make a hole, mix, heat, pour, brown, serve
